

The Maryland Masonic Heritage Jewel Application Form

Any Maryland Mason may celebrate his family Masonic heritage through purchasing the Maryland Masonic Heritage Jewel. If any Maryland Mason's relatives were Freemasons, they may be memorialized on this jewel. Eligible relations include I.E.: uncles, step fathers, brothers, cousins, other relatives, grandfathers and step grandfathers. It is hoped that brothers who wish to celebrate their Masonic ancestry and who do not qualify for the Lewis Jewel (requiring direct father to son connections) can thus commemorate Freemasonry in their family.
